#### COURSE

##### Greens Development

Jock and Kevin are working with a new company to deliver improvements to the greens. The new regime will mean more of Kevin's time will be focused on the greens and the continuing support of the volunteers is even more critical to keep up the standards of cutting rough and fairways. We are so grateful for the continuing support of the volunteers and we hope to be able to thank them publicly next month, so watch this space for details.

##### Pond

The pond area is starting to take shape and thank you to the volunteers who helped plant it during one of the hottest days of the year! Any donations of plants that would lend themselves to a wildflower theme would be greatly appreciated

##### Practice Area

Please do not use a driver or any other Wood on the practice area, out of consideration to our neighbours, who have reported direct hits on their properties.

#### CLUB NEWS

Please note that the club would like to stop all handling of cash, so please make payments for your guests by bank transfer or contactless card payment.

##### **Temporary members**

Congratulations to Craig Murdoch and Jamie Kerr who won the July Draw and each receive a £50 voucher towards 2021 membership. It's not too late to take part for August.

##### **COVID inspection**

The club are delighted to announce that Kerry and her team have passed the recent unannounced Council visit with flying colours. The Council Officer had nothing but praise for the way the Clubhouse and outdoor area has been set up, so please continue to play your part in keeping us all safe, by following all guidance.

##### **Return to Formal Minutes**

The Committee met in person on 17<sup>th</sup> August and we have reverted to formal minutes from this time. Members will receive their copies and financial reports when these have been duly accepted into the record at the September meeting.
