

I'm pleased to update fixtures for August, and also delighted to say that Finals Day will be Sunday 6th September.

As from August 1st you are asked to only record your score online. This is to help with limiting paper copies and precautions we need to take regarding the handling of these. At the moment, until we can bring the PSI terminal back into use in the foyer of the clubhouse, if anyone has any problems entering their scores, please send a screen shot of your score card to Alison on 07714275003 or alison.parkfoot@gmail.com. Any of our members who are currently using the online system will be more than happy to help out the very small minority who are still not using the online app. Once the PSI unit is back up and running, all members will be able to use this as well as the Howdidido app. Please note that once your score has been entered online, I do not need to see the paper copy too - this should be binned.

Can I ask you all to note that some of our juniors and other members of the club are choosing to play off the red tees in non-competition circumstances.

I am also delighted to say that Brian Kerr has agreed to be my guru for rules! If you have any queries about any aspect of the game or the course, please direct these to Brian in the first instance
