

# JULY 2021 NEWSLETTER

## CLUB NEWS

### ***Instalment payment plan of subscriptions.***

Some of you who have paid your subscription by instalments will be nearing the end of the 2021 payment plan. Please contact the office on a Monday, Thursday or Friday – 01848 331779 or email [info@thornhillgolfclub.co.uk](mailto:info@thornhillgolfclub.co.uk) to discuss 2022 subscription instalments. Doing so now will give plenty of time to arrange the standing order from October 2021, which in turn reduces the overall monthly commitment by spreading the cost over 12 months – October 2021 – September 2022. This also ensures that all subscriptions due are paid within the club's financial year.

### ***Player insurance***

All members are insured for accidental damage caused by stray shots. The policy covers players for ***Third Party Property Damage (non-negligent) including accidental loss or damage to third party property arising from a golfing activity.*** There have been **several** incidences of damage, from the 2<sup>nd</sup> tee and from the 18<sup>th</sup> fairway. If members acknowledge their involvement, the club can claim for the damage to our neighbour's property. If you don't report it to the club, we can't make a claim, but we are still obliged to make payment for the damage. Please come forward if this occurs.
