## USE OF BUGGIES 2019 SEASON

This year no trolleys or buggies will be allowed green-side of the bunkers as the surround mower makes this area part of the putting area. Lines will be painted to instruct. Buggy use is increasing and care of the course is paramount i.e no sudden turns, braking etc and keep them away from greens and tees.

In the winter season buggies must be kept off the fairways.

## GREENS

Solid tining four times will help give the greens a good start to the season. Good weather has increased the work load leading up to Opening Day, therefore the 18<sup>th</sup> tee won't be turfed but will sown with grass seed. The playing area already turfed will be used and revert back to the 3<sup>rd</sup> tee as before for Open Competitions. Some of the greens have been altered which will help pin positions depending on weather.

**Bird Boxes** (made by Fraser) for the course can be sponsored at a cost of £2.50. Let the office know if you would like to take part in this fund-raising effort.

**March 2019** - not only 40 years since the course became 18 holes, but also the fact that Kevin Hills has been part of the green-keeping staff from apprentice to course manager for 30 years.

*Well done Kevin, your work is much appreciated*
