MATCH

Opening Day will be 9th April. More details to follow. The Match secretary is working hard behind the scenes to enable online payments for competitions. We will still use cash for the first month or so until we can transition safely and train members on the use of the new systems.

PARKING AT REAR OF CLUBHOUSE

As we hopefully anticipate a busy season ahead for Kerry and the club, members are reminded that parking at the rear of the club is strictly for staff and those with special permission due to mobility issues.

Please do not park in the house car park as we have many visitors staying this year.

COURSE

A new greenkeeper has been appointed and a warm welcome to John Mair, an experienced greenkeeper and a great addition to the greens team.

Winter greens will be in place until opening day to give us the chance to present the greens in the best possible condition.

Volunteers needed for Monday, 21st March 10am – nothing too strenuous! Help to clear light-weight debris from the course. Hope to see a few of you there.
