100 CLUB

£100 Lee-ann Haddow

£70 Mrs L Hunter

£30 Mr B Hunter

Congratulations to all our lucky winners

CLUB HOUSE MATTERS

Security and Insurance.

We are continually looking at ways of improving the security of the Club and also the members. This includes making sure we use technology to protect the clubhouse and also to reinforce the appropriate use of the course. We are considering the use of CCTV around the Clubhouse to protect all of us from both unwanted visitors, and also, to prevent unauthorised use of the course. We will recognise the privacy of our members and we will comply fully with the regulations and our responsibilities under GDPR. Any areas protected by cameras will be appropriately signposted and there will be no hidden cameras on the course.

BRS

Please help us by booking in on BRS. It's an important issue for the Golf Club. We need to know who is on the course for many reasons,

- help the Greens team plot their way round the course while cutting fairways or greens
- safety and security issues (if you don't book-in we can't trace you in an emergency)
- shows a true picture of the course's availability
- ensures all players on the course are members or visitors and all fees are fully paid

Even if you come up for nine holes and start at the 10th, please book in on BRS.

If you have an Android or Apple Phone, there is a BRS app. Once you have logged in the first time, it takes seconds to log in and book. You can also do it online if you have an iPad or a computer and if you need help the office or bar staff will help you do this every time.

GREENS

Kevin would like to express his thanks to the Club and members in marking the occasion of his 30 years service.

MATCH

Weekly Medal Cards

It has come to light that some cards are not being filled in correctly. It would be very helpful if you could put:

- Your name
- Competition Name
- Date
- Your Handicap
- Please write your score clearly & add up correctly
- Please sign player's signature/marker's signature
- Please put your card in the box, even if you N/R as it still counts towards the CSS

Many thanks for your help and understanding.

Visitors and Competitions - URGENT

We are so dependent on satisfied visitors to the Club and, also on the income from Open Competitions. Please consider inviting friends to play at our Opens.

Fun Fact: If every adult member brought 3 friends to play in a 4-ball at £10 each, we would increase our annual revenue by over £6000.
