OPENING DAY PICTURES

A compilation of pictures from Opening day has been loaded on the clubhouse TV by Robert Haddow. Many thanks to Robert, all those who contributed pictures and all who attended opening day.

FIXTURE LIST ALTERATIONS

Gents away day Friday 28th May. This has been postponed till later in the season in hope that better arrangements for bus travel and catering can be achieved.

The charity day listed on the 16th June is a misprint from 2020 fixture list and the Captain's Charity event will take place on Wed 14th July 2021.

CAPTAIN'S CHARITY DAY WED 14TH JULY

All members are invited to take part in the Captain's Charity Day in aid of Doddie's Foundation and club funds. The organisation raises funds to help those affected by Motor Neurone Disease and research into the disease.

Posters outlining the Charity Day are available in the foyer.

I would like members to have first chance at booking tee times before I add guests and visitors to the tee sheet. Entry is NOT through BRS and details are on the posters in the clubhouse. Please enter early to secure your tee time.

EURO 2021 RESULTS PREDICTOR COMPETITION

Our competition asks you to predict the scores of all the group matches. 75% of the income will be given out in prizes with the remainder being fund raising for the club.

Rules for the competition, how to take part, and forms for completion will be available in the foyer from Saturday 22nd May. Entry costs £4 and all completed forms must be returned to club by Wed 9th June at the latest. Updates on leaders will be given on Facebook and club notice board as the competition progresses. WIND FARM FUNDING - The Club application to Clyde (Dumfries and Galloway) Community Fund has been successful. These funds from Clyde Windfarm (Scotland) Ltd are distributed through our local Community Councils. The grant of £12000 is principally from Thornhill Community Council with supportive inputs from Closeburn, Carronbridge, Durisdeer, and Kirkconnel/Kelloholm Community Councils.

Thornhill golf Club is very grateful for this level of support and the funds have been used to support the purchase of the new Jacobsen greens mower.
