CLUB NEWS

From Sunday 25th October the winter rate for members' guests is £10. For admin/track and trace purposes, please book and pay online before arriving at the course. Your co-operation in this would be appreciated.

A number of members have been reserving the tee for their fellow members without naming them. For track and trace purposes, please record all members of your golf group on BRS every time you play.

Clubhouse

The catering and bar service will be suspended from 26th October to early December to enable Kerry's recovery to go to plan.

Due to Covid regulations, we cannot provide any tea/coffee station in the clubhouse as in past years. The locker rooms will be open, but please check notices and messages on facebook and email, for early closures, especially in poor weather.

AGM

The AGM will not take place in the clubhouse this year, due to Covid restrictions. The meeting will take place on Zoom, which can be accessed from smart phones, tablets and computers. Full details to follow

Prizegiving will not take place in 2020
