- 100 CLUB MATCH COURSE

## 2020

### 100 CLUB

£100 L HUNTER (100)

£60 R M MITCHELL (27)

£25 K GILLIES (58)

Congratulations to our lucky winners

#### MATCH

As most of you will be aware, Lady Captain's Day has been cancelled and Captain's day, which was in the process of being arranged, has also been cancelled due to the new Covid restrictions. Closing Day will now take place on 24<sup>th</sup> October with a competition taking the format of a Texas Scramble, any combination.

#### COURSE

Thanks to the hard work carried out by our "bunker boys" and Captain Jim Nicholson, the bunkers have been greatly improved.

As part of the ongoing greens improvement programme, a contractor has re-seeded areas to attempt establishment of healthy grass growth before winter begins.

Does anyone have a small silage trailer that could be pulled behind the course tractor? Please get in touch if you are able to lend this to the club.

#### PARKING

Members are requested not to park at the back of the clubhouse. This must be restricted to staff members and the caterer. There have been times recently where delivery lorries have not been able to make scheduled deliveries due to the number of members' cars parked at the rear of the clubhouse. Members using buggies are asked to park their own car in the main car park. This will enable members with limited mobility to park behind the bungalow beyond the small wooden shed.

#### CLUB NEWS

Please be reminded that the preferred payment method of members' guest fees is online by bank transfer. Your co-operation in this would be appreciated.

##### Clubhouse

In light of the recent Government changes regarding social gatherings, we would ask you all to be understanding of the clubhouse staff's requests for "Track & Trace" details, masks to be worn indoors and that only 2 households may sit at a table together. Kerry and her staff are keen to follow the rules diligently and to do so, need your support.

The Committee had intended to hold a small social event to thank volunteers. This has been postponed but not forgotten. Also, the Sports Dinner will not take place in the spring as hoped, but may take place later in 2021.

##### Temporary members

Congratulations to Alex Sloan and Donald Kennedy who won the August Draw and each receive a £50 voucher towards 2021 membership. It's not too late to take part for September.

To date, 17 temporary members have converted to full membership and we thank them for their support. Any other temporary member wishing to take advantage of the offer, needs to do so before 30<sup>th</sup> September.
